To: The Honorable. Donald J. Trump  
President  
The White House  
1600 Pennsylvania Avenue

The Honorable Elaine C. Duke  
Acting Secretary  
Department of Homeland Security  
3801 Nebraska Avenue N.W.  
Washington, DC 20016

**Re: Rescind Proclamation Enhancing Vetting Capabilities and Processes for Detecting Attempted Entry into the United States by Terrorists or Other Public-Safety Threats**

Dear President Trump and Acting Secretary Duke:

We, the undersigned community leaders, elected officials, and community-based, civil society, and civil rights organizations, hereby demand that you promptly rescind your Proclamation Enhancing Vetting Capabilities and Processes for Detecting Attempted Entry into the United States by Terrorists or Other Public-Safety Threats ("EO-3"), your administration's latest attempt to fulfill your campaign promise of an unconstitutional "Muslim Ban." This order, though more sophisticated than its predecessors, is just as transparently illegal.

Despite the addition of two non-Muslim majority countries, the intent of the EO-3 is the same as its predecessor, to target the entry of Muslims to the United States. Additionally, we note that Chad, a majority-Muslim country, will also see its citizens restricted from entering the United States. Moreover, the continued inclusion of countries like Somalia, which Acting Secretary Duke admitted "satisfies the information-sharing requirements" of EO-2, shows that this new order is based in bigotry, not necessity.

As President Trump's repeated public statements – both as a candidate and President – make clear, EO-3 is driven by nothing more than animus for Islam and those who practice it. This order is an unlawful abridgement of the First Amendment, denying Muslims the right to practice their faith. Countless visa-holders and applicants are now being asked to choose between their very religion and the ability to enter our country. Your administration's pattern of anti-Muslim discrimination is unconstitutionally stigmatizing the very practice of Islam, further eroding our cherished commitment to the free exercise of religion. Moreover, EO-3's disparate impact on and discriminatory intent towards Muslims violates these individuals' rights to equal protection of the laws, pursuant to the Fifth Amendment to the United States Constitution.

In addition, EO-3 clearly violates the Immigration and Nationality Act of 1965, 8 U.S.C. § 1152. In 1965, Congress responded to America's disgraceful history of discriminatory immigration laws with a ban on actions that favor an immigrant's "race, sex, nationality, place of birth, or place of residence." More than a half century ago, Congress had the foresight to ban the very discrimination you seek to enact through EO-3, and we will never stop fighting to ensure that the rule of law is respected and that this ban is repealed.

If you refuse to rescind this unlawful order, we commit to do all in our power to protect those communities being targeted by EO-3 and to support litigation to defeat this unconstitutional ban. History will long remember, and we will not quickly forget, this singular assault on America's commitment to freedom of religion.

Sincerely,
